Notes

Note:
 Justin A. Wallace and Home Design by Justin assumes no liability for any home constructed from these plans. It is the owners responsibility to verify compliance with local building codes. Home Design by Justin assumes certain favorable site conditions, including a soil bearing capacity of 2,000 PSF. Contractor shall make any necessary adjustments to site to ensure these conditions exist. Caution must be exercised in making changes to these plans. Only a qualified Architect, Engineer, Designer, or Builder should attempt to modify this plan, as even minor changes could lead to structural problems. Any discrepancy found in these plans shall be reported to Home Design by Justin.
